

Dear All,

Uganda Chapter of The Institute of Chartered Accountants of India would be organizing the analysis/review of the Finance Bill 2014.

This analysis/review of the Finance Bill will be conducted by a Team of professionals from Grant Thornton.

According to what I recollect, in Uganda. No organization/body has arranged for such a review of Finance Bill.

Every year, all reviews and analysis are being conducted for the Budget speech of Hon. Minister of Finance, in absence of Finance Bill and many other details.

These discussions are based on many assumptions. Also many changes in Finance Bill are not even discussed because not covered by the budget speech.

The Finance Bill was available to Public only around 7th July 2014.

To Trigger Your Interest we will be discussing on many Topics and some of which are mentioned below:

- (a) Change in Income Tax Law for:
 - a. Rental income for companies.
 - b. Initial Allowance on Plant and Machineries and building
 - c. Thin Capitalization
 - d. Provisional relating to prosecutable offense.
- (b) Change in VAT Law for exempt and zero rated supplies.
- (c) and many others

This Seminar would enlighten us all and surely help in doing our business better.

The Seminar would be conducted on 27/9/14, Saturday from 7:30 am to 9:00 am at "The Mackinnon Suites" (near Fang Fang Hotel, Nakasero). Tel 0414-259952/3/4 Refreshment will be served.
